## Smart, Safe & Sustainable Summit 2026

Location TBC

**Following the success of our annual and regional Smart, Safe & Sustainable Summit for five consecutive years, we're bringing the experience to Dubai for the first time ever!**

The Summit brings together corporate travel managers, global mobility experts and industry innovators to engage in dynamic discussions and explore the evolving landscape of corporate accommodation. Join us for an exclusive day of thought-provoking panels, fireside chats and networking - tailored specifically for the Middle East region.

Designed as a smaller-scale, intimate event, the Dubai Summit encourages active participation and meaningful collaboration, enabling attendees to share their expertise, challenge ideas, and leave with actionable insights that can be turned into strategy from Day 1.
